Rhino & Grasshopper

3D Max

AutuCAD

SketchUp

Unity

## EXPERIENCE

### BookYourPet | UI/UX Designer

Oct. 2021 - Present

- Led the design of major features and flows on a pet service scheduling web app. Including appointment booking, staff members management, service & promotions management, and client and communication.
- Successful booking conversion rate by 10% and completed bookings by 36%. Decreased account setup time by 52% through updates to the existing web app booking flow
- Designed booking flow for consumer-facing website and mobile app. Increased the number of services and add-ons created by users.
- Collaborated with a cross-functional team to discuss the roadmap, Improve design decisions. Conducted usability testing, user interviews, competitive research, and design explorations with stakeholders and potential users.
- Utilized Figma to create and maintain user flow with mockups, prototypes, design system, and proof of concept/use case documents.

 [Work Samples](#)

### Personal website | Freelancer

Aug. 2020 - Present

- Designed and implemented a personal website from scratch by using HTML/CSS/JavaScript.
- Updating and maintaining the UI components and responsive grid of this site.
