EXPERIENCE

BookYourPet | UI/UX Designer

Oct. 2021 - Present, Full-time contractor 40 hr / week

- Led the design of major features and flows on a pet service scheduling web app. This includes appointment service booking, staff members management, and payment update
- Successful booking conversion rate by 10% and completed bookings by 36%. Decreased account setup time by 52% through updates to the existing web app booking flow
- Designed booking flow for consumer-facing website and mobile app. Increased the number of services and add-ons created by users
- Collaborated with a cross-functional team to discuss the roadmap, Improve design decisions. Conducted usability testing, user interviews, competitive research, and design explorations with stakeholders and potential users
- Utilized Figma to create and maintain user flow with mockups, prototypes, the design system, and proof of concept/use case documents
